

Directions

You'll need:

1. Snakes and Ladders board (just print and laminate if needed)
2. Game pieces (checkers, blocks...)
3. Die

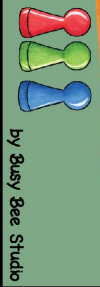

How to play:

Decide who goes first. Place your game pieces on the Start square. Roll a die and move forward that number of spaces. On each space you need to read the word written on the space in order to keep moving. If you can't read a word, move back. If you land on a ladder, climb up. If you land on a snake, slide down. The first one to the end is the winner.
