Dear Parents,

During this school year, your child will be learning sight words. In order to track your child's progress, we will be using easy and fun sight word booklets. Each sight word booklet has 100 sight words. Each page has a list of words on the front, with phrases on the back. Students will practice each word list and phrases (front and back) to "test" for mastery.

When practicing these words with your child, be sure to jump around the list to ensure your student isn't just memorizing the words in order. When testing, I may not test the words and phrases in order. In order to pass, students must know these words and phrases by sight and not have to stop to sound them out.

Each time your child passes a set of words and phrases, we will place a sticker on the cover of the book!

Thank you,

Student:
